

## Recycling Options for Vineyards

Empak are suppliers of nets to vineyards and other Horticultural applications.

As part of our ethos and stewardship of our products used within Agriculture and Horticulture we offer an accredited recycling scheme on some nets and plastics used in Horticulture.

This scheme is Plasback NZ. Visit [www.plasback.co.nz](http://www.plasback.co.nz)

The main stream of plastics available for recycling include :-

- Multi-row and single row nets (black or white)
- GroGuards and vine spray guards (corflute only not milk carton type)
- Irrigation tubing and drip line (MDPE content)

### Net recycling & costs

In the first instance please contact Plasback or Empak. Contact details below.

Multi-row and single row monofilament nets only. (Contact Plasback if you have side nets to recycle). Black or white nets can be mixed.

Buy Plasback bin liners from Plasback website. Cost \$61.00/3 pack exc GST including delivery charge. A cable tie is supplied. Bin liners also available at your Horticultural or Agricultural merchant (costs may vary).

Wool fadges can also be used for bagging old nets.

Alternatively wind nets into rolls and tie off with twine. Remove all internal cores.

#### Collection and transport to recycling depot

Plasback liners \$40.00/bag exc GST (must be cable tied closed).

Wool fadges \$25.00/fadge exc GST (must be closed with top flaps down).

Unpackaged nets and larger volumes of net can be collected and charged at cost of freight.

There is an additional baling charge of \$80.00/tonne (minimum charge \$80.00) exc GST.

### GroGuards & spray guards recycling & costs – must be corflute type NOT milk cartons

In the first instance please contact Plasback or Empak. Contact details below.

Spray guards must be supplied for recycling in cable tied closed Plasback liners only. A cable tie is supplied.

Bundling guards together allows more in bag.

Buy Plasback bin liners from Plasback website. Cost \$61.00/3 pack exc GST including delivery charge. Liners also available at your Horticultural or Agricultural merchant (costs may vary).

#### Collection and transport to recycling depot

Plasback liners \$40.00/bag exc GST

There is an additional baling charge of \$80.00/tonne (minimum charge \$80.00) exc GST
